Dear Natalie,

How are you?

My name is Minnie Cheung. I am eleven years old now. I am a primary 6 student. I am studying at St. Patricks School now. It is in Lok Fu. Although it is small, there are many different learning rooms. For example, the computer room, the act room, and our school library. I like go to school because I can meet my friend there. My best friend is Winky. She likes to play basketball very much. She is nice to others. I like being friends

with her. Who is your best friend? I have a small. There are five members. They are my father, mother, two sisters and me. We go to have tea every Sunday. My favourite colour is sky blue and pink. What is your favourite colour? I like reading very much. I go to the library every Sunday. Do you have hobby? If you have, please tell me.

Please write back me.

Yours,  
Minnie
