Dear friend,

How are you? My name is Yeung Kin long.
I'm ten years old. I study in Cheung Chau
Sacred Heart School. I'm in class 5A. I've
lived in Cheung Chau for 10 years.

I like cycling in my free time. I like it
because I feel ^{that} it's very exciting. I'm good
at Chinese. I'm weak in English. I like
eating salmon sushi most. How about you?
I hope to hear from you soon.

Cheers,

Yeung Kin long
