## Let's Read

### The First of April

by Yu Ka Wing Sally 4D

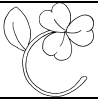

My April Fool's Day was fun! Let me tell you what I did! In the morning, I cooked an egg for my mother. That egg was not an ordinary egg. It was processed in a special way. I put plenty of spicy sauce in it. I decorated it nicely and gave it to my mother. Ha, ha! She put it into the mouth and she jumped up! I succeeded! Then, we all laughed together. It is good to have a fun-loving mummy!

### Mother's Day

by Yau Chung Yuen Anson 4A

Today is Mother's Day. My father, sister and I celebrated with my mum together. In the morning, we prepared a yummy breakfast for mum. We made ham and cheese sandwiches, fruit salad and orange juice. In the afternoon, we gave a card and a bunch of carnations to mum. Mum was very surprised. In the evening, we had a buffet dinner together. After dinner, we went home happily.

## A Letter to Sandy

by Chan Sin Man Tammy 4D

Dear Sandy,

Thank you for your letter. I am not feeling well. I went to the Peak with my family to celebrate my father's birthday last night. It was cold and the weather was not good. I thought I got a cold because I just wore a T-shirt. I had a temperature, a headache and a cough this morning. My mother brought me to see a doctor. I have got a flu. The doctor said that I should take a rest, eat healthy food and drink plenty of water. He told me not to drink soft drinks or eat fried food. Now I am getting better. I will go to school tomorrow.

Love,

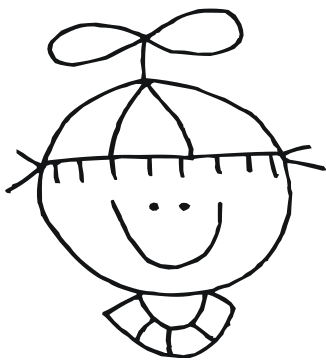

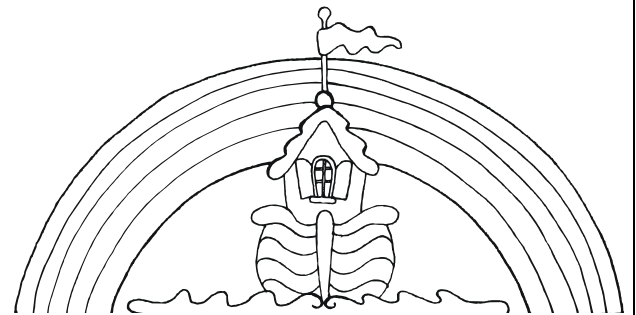

Tammy
