Four Seasons by Chan Wing Yee Fiona 6A

There are four seasons in a year. They are spring, summer, autumn and winter. It is wonderful to have different seasons. I can do different activities at different times.

The weather is warm in spring. The flowers blossom everywhere. The air is filled with the scent of flowers. In hot summer, the best things to do are swimming and eating ice-cream.

When autumn comes, we can go on a school picnic. My friends and I enjoy playing in the breeze.

Among the four seasons, winter is my favourite season. I like having hotpots with my family. We eat, chat and laugh together. Although it is very cold in winter, I feel warm in my heart.

My Favourite Athlete by Yeo Tang 6C

My favourite athlete is Li Xiaopeng. He was born in China in 1981. He began gymnastics at the age of three. In 1996, he was accepted to the Chinese National Team. He got a medal in parallel bars at 2008 Beijing Olympic Games.

I like him because he has an earnest attitude and he is always full of confidence. I think Li Xiaopeng is calm and brave enough to face any difficulties. It is because his coach gave him confidence. We have learnt that we should be brave when facing new challenges.

Poems

My Friends

by Chan Tsz Yan Bobo 6D

*I have a lot of friends.
We all go to the education camp
and bring along a beautiful lamp.*

*I have a friend named Kary
who is very pretty.
She likes to eat cherries.*

*I have a friend named Yuki
who is friendly and lovely.
And she always smiles sweetly.*

*Melody is also my friend,
She never goes to school by tram.
She is as kind as a lamb.*

*They all are my best friends.
I hope our friendship will never end.*

Miss Lam

by Brian To 6C

Six years ago,
I met my class teacher at my primary school,
Where I had my first lesson which was very cool.

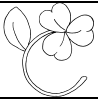

The teachers were happy and thoughtful,
So I was very cheerful.
Then I saw a picture,
It was drawn by my English teacher.
She liked drawing and singing.
Her name was Miss Lam.

Miss Lam was caring and helpful.
She loved her students
and she was always cheerful.

Once we went to a park
where we saw the dog bark.
I was frightened and I wanted to cry.
Then Miss Lam asked me to try.
At last, I played with the dog and I didn't cry.

Therefore, I want to thank her now.
I remember everything she said
and I will work as hard as a cow.
I will miss her forever from now.

Losing Weight

by Fung Tsz Ching Gigi 6B

My classmate Joyce was a fat girl before. People always laughed at her. She was upset about it. Therefore, she did exercise regularly. After doing exercise, she felt very tired and hungry. She thought if she ate rice, vegetables and snacks, she would grow fat, so she stopped eating any food.

One day, the teacher taught us how to play badminton. It was her favourite sports. Joyce was too weak to play because she did not have energy to get moving. She felt sick during P.E. lesson.

From then on, she realized that health is more important than beauty.

A Letter to My Friend

by Chan Wing Lam Cathy 6D

Dear Jack,

How are you? I just receive your letter and I am so glad to hear that you are coming to visit Hong Kong next month.

I am planning to take you to Ocean Park. It is one of the major tourist spots in Hong Kong. There are a lot of fun places in Ocean Park.

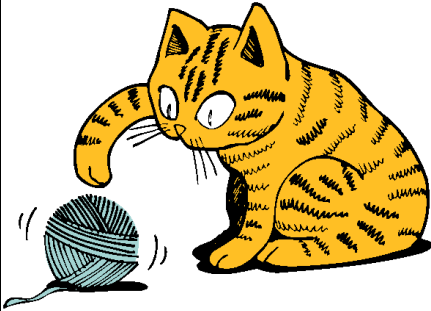

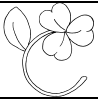

When we arrive there, I will take you to the Panda House because the pandas there are very lovely. Do you like jellyfish? I would like to go to the aquarium. You can see many colourful jellyfish. I will take photos with you too.

Then, I would like to try something exciting with you. That is the roller coaster. I like it very much. I hope you will enjoy it too. At last, we will watch the dolphin show. You will find that the dolphins are clever and cute.

I hope you will have a joyful day and please write back soon if you have time.

Best,
Cathy

My Pet

by Ng Cho Miu Sharon 6A

One day, I saw my cat Mimi in the bedroom. It was lying on the floor. It felt cold and it was sick. I asked my mother to see Mimi and told her what happened.

My mother said, 'Oh! Our pet is sick. Maybe we should take it to the vet and get it some medicine.' Therefore, we took Mimi to the vet.

We waited for our turn in the animal clinic. I felt unhappy. I was afraid that Mimi would die.

Then the vet asked us to take Mimi in. The vet said, 'Your pet ate too much oily food, so it was sick. You should take care of your pet. It needs to take some medicine.'

I would take care of my pet thereafter.

Fantasy

by Lai Chi Ho Tom 6B

If You Were.....

If you were a computer
And I were the keyboard.
I'd let you hit me
Until you were not angry.

If you were a foot

And I were a sock,
You'd take me to shop
But I wish you would stop.

If you were the stairs
And I were the air,
When naughty kids jump on you,
I'd blow away their shoes.

Goodbye! My Primary School

by Ho Ming Hin Ken 6D

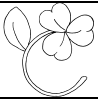

My primary school is in Lok Fu.
It's called St. Patrick's School.
The school is almost fifty.
And studying there makes me happy.

I will miss the teachers there.
They like to teach children everywhere.
Miss Cheung is my favourite teacher.
Talking to her is a pleasure.

My best friend is Howard
who likes to do homework
I have a lot of friends.
Our friendships will never end.

I will leave my primary school.
I will go to a new secondary school.
I hope my friends will learn happily.
And the teachers will work successfully.
