Green Island by Ho Man Yi Amy 3A

My favourite book is *Green Island*. The writer is Roderick Hunt. The illustrator is Alex Brychta. The story is about some children and their teachers going on a school trip for a week. Many funny things happen. I like the story because it is very funny and the children are very helpful. I like Mrs Honey because she always helps the animals. I will recommend this book to my friends because it is very interesting.

The Little Match Girl by Chung Hau Lam Cherry 3A

My favourite book is *The Little Match Girl*. It is very touching. When I read it, I cry because I have sympathy towards the girl. She is very, very pitiful. Its writer is Anderson. I don't know who the illustrator is. Maybe it is Anderson, too.

This story is about a little girl who sells the matches. But nobody wants to buy her matches because they are rich and they don't need matches. The little girl wants to go home but she is scared. If she cannot sell all the matches, her dad will hit her. The next day, many people come and look at the little girl. They are sad because the little girl is dead. I like the little girl because she is pitiful and I feel sorry for her. I will recommend this book to my friends because it's a good book for reading.

I will make some colourful magical soup. I will put it into a purple bottle because I like purple. If you drink it, it can make you fly or disappear! You will know anything that you want to know too! But I will not let the thieves drink it. The policemen can drink it so they will know where the thieves are. I hope people will like this magical soup.

Dear Miss Lam,

The exam is coming. How can I get higher marks in English exam? I work hard to brush up my English but Kenny gets higher marks than me every time!

My mum said, "Although you are improving, you are only the third in class." I think Kenny and Wendy are hardworking too. In the last exam, Kenny was the first. I hope I can be the first this time!
