My Football and Me by Yip Christopher Huo Si 5D (Poet of the School Award)

My football is my love of all.
When I was not tall, he taught me all.
He said, "Let's play in May!"
I answered, "Maybe another day!"

After the first play,
I am never late!
He always flies near me.
His best friend is me.

With the red tee,
I don't need to pay the entrance fee!
We play as hard as a team of bees!
The trophy is here! HEE, HEE!

A New Festival

by Lau Wing Sze Judy 5A

I would like to introduce a new festival to you. The name of the festival is No Smoking Festival. It is on the 6th of April. It is not a holiday but we can do many exciting things on that day. We celebrate this festival because many people like to smoke in Hong Kong. It is not a good habit. We need to make this day a special day and ask people not to smoke.

We eat healthy food, do exercise and play with friends happily on that day. We can go to the park to dance and play. If we are hungry, we can eat fruit and sandwiches.

I am sure people will have fun on that day and they will not smoke anymore.

After Qu Yuan's Death!

by Poon Hiu Tung Christy 5D

Narrator : After Qu Yuan's death, the bad officers could not sleep at night. They gathered together and talked.

Officer 1 : Ha, ha! Qu Yuan died! The Emperor's son will take our advice now!

Officer 2 : You are right!

Officer 3 : You both are happy, but I am scared. Qu Yuan may come back as a ghost and kill us. In the name of the Father and of the Son and of the Holy Spirit. I hope Qu Yuan will not come!

Officer 1 : Why are you so scared? You are silly! Don't be afraid!

Qu Yuan : (going near to the officers) Hello! I'm Qu Yuan!

Officers : Oh my goodness! Help!

Narrator : The officers ran away!

A Letter to My Teacher

by Chung Wing Chi Mimi 5C

Mr Chiu's new job is Superman. He works at McDonald's. He works from 12am to 12pm. He meets different people every day. He needs to cook food, help the waiters and waitresses clean the tables and make people laugh. He is like the Superman in McDonald's.

Mr Chiu likes his job because he can help different people every day. Although Mr Chiu feels very tired, he always says, "I can help others, so I am very happy!"

A New Festival

by Fan Chun Hin Anson 5A

There is a new festival in Hong Kong. It is the No Homework Festival. It is on 9th May. It is a holiday. Students do not need to go to school.

At the No Homework Festival, children play online games at home in the morning. In the afternoon, they have buffet lunch with their classmates at school. It is free of charge!

This festival makes children happy because they don't need to do any homework. They can play for a whole day.

In fact, it is only my dream festival. We have to study hard, so we should do homework every day.

Let's learn and write !

**Write with your pencils.
Learn by your hearts.
Yours will be special
To gain higher marks!**

In this city
There is something very pretty.
It is my hamster.
Its name is Clever.

Its hobby is to play.
It plays every day.
On its birthday
We will celebrate in a café!

It is very funny.
At times, it makes me happy.
At times, it drives me crazy
But I still think it is lovely.
