A Letter to Miss Wong by Ko Hoi Kit Barry 3D

Dear Miss Wong,

How are you? What did you do at Chung Yeung Festival?

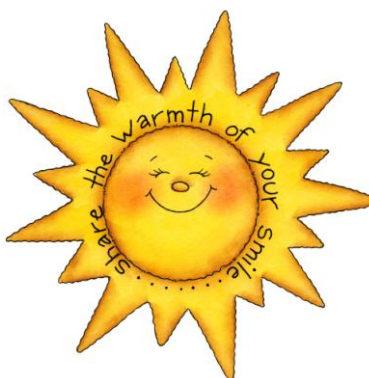

Early that morning, I got up at eight o'clock. I went hiking in Lion Rock Hill with my family. I did not have breakfast that morning. On the way, I had some bean curd congee for lunch. It was delicious.

When I went home at six o'clock in the evening, I felt very tired.

Please write back soon. See you at school!

Love,
Barry

An Accident In Island Park

by Chan Po Ting Courtney 3D

Last Sunday, Harry had an accident in Island Park. He brought a kite to a big park with a children's playground, a basketball court and a football court. There was a pond in the centre of the park. The weather was fine and sunny.

First, Harry walked around and he felt happy. Next, he flew the kite near the pond happily. Suddenly, he fell into the pond because he forgot that the pond was behind him! He felt scared and shouted loudly for help.

Luckily, a girl in front of the pond helped Harry. She asked him to stand up because the water was shallow. Harry stood up quickly and felt embarrassed.
