## An Accident

by Mok Hau Ying Jolie 5B

Yesterday, I went to a restaurant with our grandparents to eat dim sum. We ate some Peking duck, shrimp dumplings, spring rolls and red bean soup. The dim sum was yummy.

Suddenly, we saw some smoke coming out from the kitchen. We felt worried. But someone was brave. He tried to put out the fire with water. Then we took all our things and ran away quickly. The waiters called the police.

Five minutes later, the firemen came and put out the fire. Luckily, no one got hurt or died. All of us were safe.

Dear Miss Pretty Dragon Boat Water,

How are you? We are going to see each other very soon. It makes me happy!

I am glad to help Miss Beautiful Dragon Boat go across the river. It is because she needs to help people to be the champion. However, I want to say sorry to you because I hit you so hard last time. Did you get hurt last year? I felt so tired for my job, so I had to stay at home for one month. I am afraid that it will happen again this year! Would you please remind me to be nice this time?

## A Fire

by Cheng Chung Man Mandy 5A

Yesterday, I had tea with my grandparents in a Chinese restaurant. We ate a lot of dim sum.

Suddenly, some smoke came out from the kitchen! I felt worried but the dim sum was very yummy, so I ate very fast. Suddenly, a waiter shouted loudly, "There is a fire!" All the customers and staff ran away. We were so frightened!

Someone called the firemen but they were trapped in a traffic jam, so they could not come to the restaurant quickly. Therefore, we used the fire extinguisher to put out the fire. Luckily, no one died in the fire, but one of my arms was broken. I felt painful and my grandparents sent me to the hospital. Although I was hurt, I felt happy because I saved a lot of people.

Today is red because a big fish swallowed me up! The fish's tummy was dark and narrow. Although I felt scared, I stood upright. I hope I will not die so that I can see Dancing Lady again!
