A Letter to Mouse

Story Street Primary School
20th March, 2015

Dear Mouse,

How are you? I know you were sad because Tom and Danny teased you. I told their mother about it.

Don't cry. I think you look handsome with the new hairstyle. Let's have a barbecue and fly a kite in the park. Let's watch a movie at the cinema, too. It is interesting and you will be happy.

When they tease you again, you should ignore them and tell them about your feeling.

See you soon.

Love,
Angel

The Rabbit

by Chan Tsz Ching Kylie 3A

Once upon a time, there lived a rabbit, a sheep, a cat and a hamster on the farm. One day, the animals wanted to make some sandwiches but they didn't know how to make them.

The animals went to a bakery and asked the shopkeeper, "Can you teach us how to make some sandwiches, please?"

The shopkeeper answered them, "You can put some ham, lettuce and some salad sauce on a slice of bread. Then you can put another slice of bread on top of it."

The animals thanked the shopkeeper. They ran home and started making the sandwiches. The rabbit, the cat and the hamster wanted to cut the ham, but the sheep did not help. She slept on the sofa. The animals were very angry.

At last, the animals finished making the sandwiches. They ate the yummy sandwiches. Only the sheep could not eat because she did not help the animals.

We should be nice and help our friends.

Lost in the Park

by Tse Wing Tung Jennifer 3B

Last Sunday was a cloudy day. Grandma and Mary went to Hong Kong Park. Mary saw some children playing on the swings. She was so excited, so she ran to the swing and played with them.

Grandma talked to her friend. She felt happy. Suddenly she didn't see Mary on the swing. She felt scared.

Grandma called Mary's mum and they looked for Mary together. Finally they found Mary in the washroom. They went home happily.

My name is Natalie. My birthday is on 27th August.

Every year, my parents hold a birthday party for me. Many people come to my home. I get a lot of birthday presents and I open them one by one.

Then, mum takes out a birthday cake from the kitchen. The cake is nice and beautiful. I love it! After that, everyone sings the birthday song. I make a wish and cut the birthday cake. The birthday cake is sweet and tasty!

I enjoy my birthday party very much. I have a great time.

Cat's Sunday Diary

by Wesley, Kelvin, Cloey and Roy 3C

Sunday

Rainy

Today, I felt happy. Max and his granny stayed at home with me. We sat on the big chair and watched TV in the living room.

After lunch, I sat in the living room again. I saw Dog looking at me for a long time. Suddenly, he licked me. I felt scared, so I ran away Max's granny's room and told her what happened.

At last, Max's granny said, "Dog! You are naughty!" Dog said sorry to me. I forgave Dog.

Now, we are friends. We will play in the garden after lunch tomorrow.

An E-mail to Sally

by Chan Cloey Euodias 3C

Dear Sally,

Thank you for your e-mail. I want to suggest two things for you for your mum's birthday.

First, you can buy a packet of flower seeds for her. It is romantic. It costs fifty dollars to buy it at the flower shop. She can grow flowers at home.

Second, you can buy a pair of earrings for her. They are useful. Your mum can wear them when she joins a party. They are good. They are only two hundred dollars. And your mum can keep them for a long time.

I hope my suggestions are useful for you. Please write soon!

Love,
Cloey
