My Dream Job

by Ng Wing Yan Winnie 5D

I want to be a teacher when I grow up. Teachers are helpful and kind. They can teach students a lot of knowledge. Teachers teach different subjects such as Chinese, English, Maths and General Studies.

I want to be a teacher because I like children. They are cute and friendly. I want to teach the kids and work at school. Sometimes, I will go out with my students. We will go to the museums and I will show them a lot of information and new things in the museums.

I hope my students can get into the university. Then, they can help others in the future!

Lady Mo and Joey Yung – A New Version of Happy Prince

by Che Yan Ha Tammy 5C

Once there was a statue standing near Lady Gaga's house. She was the Empress of China, Lady Mo. People were scared of her because she was very cruel to the people in the city.

One day, Joey Yung, a famous singer, was going to the gutter from Lady Gaga's building. When Lady Mo saw her, she asked, "Hello. Are you a monkey?" Joey answered, "Hm... Yes, I was born in the year of the monkey." Lady Mo was hungry at that time. Her tummy went "Grrr-Grrr". She asked Joey to buy some food for her.

However, Joey said, "No, I have a lot of things to do such as singing, eating and playing. I just want to see you for one time. I have to go now. Bye!" Then, she left. This made Lady Mo very angry and sad, so she did not talk to Joey Yung anymore.

The Bad Count Dracula - A New Version of Happy Prince

by Li Yuet Wa Alison 5D

Once upon a time, there was a statue in Royal Street. It was a golden statue of a bad guy, Count Dracula. People wanted to remember him because he killed a lot of kind people when he was alive.

One night, a young vampire came to Royal Street. When he found the statue of Count Dracula, he was tired and hungry. He fell asleep near the statue. But there was someone kicking him. He woke up and saw Dracula, he was very angry.

"Don't sleep on my legs!" Count Dracula shouted angrily. "Oh! You are a vampire, too! Bring me an umbrella and I will give you my power!" The young vampire ran away and stole an umbrella for Count Dracula.

"Oh dear! No more sunshine now!" Count Dracula murmured, but he shouted loudly at the young vampire. "Blood! Some yummy juicy blood is what I need! Go and kill some people for the fresh blood!"

The young vampire ran away again. He killed some people and brought the blood back to Count Dracula. After he drank all the blood, he was not full yet. Finally, he killed the young vampire and drank all his blood. Count Dracula then became powerful and turned into a real vampire and went away!

A Letter to Miss Smelly Dragon Boat Water

by Kwan Ka Tsun Marcus 5B

Dear Miss Smelly Dragon Boat Water,

How are you? We are going to meet each other next month. It makes me feel great but afraid. I am glad to carry people across the river and let them go fishing.

However, you and your friends were smelly and dirty last year. You threw so much rubbish into the sea. It annoyed me a lot. I couldn't see the way. I had to wait for the water to become clear, so I am afraid that it will happen again this year!

Would you please ask your friends not to throw rubbish this time? I don't want to waste my time again!

Best Wishes,

Miss Angry Dragon Boat Water

Oh, My Dog!

by Chan Tsz Ki Toby 5A

Yesterday afternoon, I walked my dog, Bobo, in Wong Tai Sin. We walked along the pavement happily. Then, I met Kelvin and David. They were playing football near the pedestrian crossing. Bobo wanted to join them. We played and laughed together.

Suddenly, the ball rolled away to the pedestrian crossing. Bobo chased after the football. I said, "No! Come back, Bobo!"

Fortunately, the private car stopped immediately. The driver got off the car and checked if anyone got hurt. Bobo and I were safe. I returned the football to the boys and went home with Bobo. I will take care of my dog carefully.
