On the Beach

by Tsoi Yan Yi Penny 5C

Last Sunday, I went to the beach with my mother. We went to Repulse Bay by bus. When we arrived there, we found that there were a lot of people.

After swimming for two hours, I was very hungry, so I had my lunch happily. While I was eating chicken wings, I threw away the bones on the beach. My mother said, "Peter, you cannot make the beach dirty! You should pick up the rubbish now!"

I did not care what my mum said because I thought that it was too tiring to pick up the rubbish. I just kept on eating my food and throwing rubbish. Some people on the beach also asked me to put the rubbish into the rubbish bin but I pretended that I did not hear them.

After I had my lunch, I took a nap on the beach. It was relaxing! Suddenly, I heard a girl yelling loudly. She stepped on my fork and got hurt. Her foot was bleeding! I helped her bandage the wound. Then I said sorry to her and picked up all my rubbish.

The girl was kind. She helped me clean up the beach, too. At last, the beach became a clean and beautiful place again.

I understood that I should keep the environment clean.

A New Job for Mr. Chiu

I use my special power to create a new job for Mr Chiu! He is a vet in Ocean Park.

He works in the pretty and big Ocean Park. There is a big tank. There are a lot of fish in the tank.

Mr. Chiu works from nine o'clock in the morning to two o'clock in the afternoon. He looks after the sick fish and plays with them. Mr. Chiu also meets trainers every week. He teaches them how to take care of the fish.

Mr. Chiu likes his job because he can play with fish every day. He thinks that it is a meaningful job. He feels happy when he sees the children watching the fish happily.

Leo's Mother's Diary

Sunny

Today, I am very happy because Leo could find his favourite tin soldier. When Leo's soldier was lost, I felt very sad. I wanted to help him find it but I needed to buy food in the market, so I couldn't help him.

When I was in the market, I bought a fish there. Then, I washed it and cut it. I was surprised to see the one-legged tin soldier inside the fish! I brought it to Leo. He placed the soldier next to the Dancing Lady carefully. Leo feels happy now.

An Accident

by Ip Kin Yeung Hayson 5C

On 18th October, 2016, there was a car accident in Clear Water Bay Road. I was there! I was one of the passengers travelling on the school bus. What a horrible day!

On that day, my classmates and I went to Sai Kung Outdoor Recreation Centre by school bus. Some of my classmates were eating snacks happily. Some of them were chatting with friends or playing card games. We were all very excited.

I remembered that the bus driver drove very fast. When he was making a sharp turn, the school bus made a loud "Screech" sound. Some of our classmates were very excited and they screamed loudly.

When I had finished my snacks, I watched the view quietly. I saw a boy on the road. He was listening to music while he was riding a bicycle. He looked happy and he rode his bike fast.

Suddenly, the bike lost control and crashed into our school bus. All of us heard the loud noise. The bus driver stopped the bus immediately. We found that the boy was hurt.

The driver called the police to help the boy. After 10 minutes, the ambulance arrived. They sent the boy to the hospital. But he had already died when the ambulance arrived at the hospital.

Although all of my classmates and I did not get hurt, we felt bad because the boy died eventually. We hope that there will be no more accidents in the world. It is a terrible experience!

A Letter to a Festival Character

by Chung King Man John 5A

Dear Miss Rich Red Packet,

How are you? I am Mr Yummy Rice Cake. At Chinese New Year, people eat me. Last Chinese New Year, I saw you and your friends. I want to be your friend.

I am tasty. A lot of people want to eat me at Chinese New Year. They enjoy eating me and my friends very much because we are so yummy. We feel happy. But something made us sad. When people cook us, we feel very hot and pain.

Last year, I saw people put money inside you and gave you to the children. They felt happy when they got you. They used the money in you and your friends to buy toys, new clothes and food.

At Chinese New Year, people will eat me and they will give you to children. I think we can be friends! I hope we can make people happy together. Can you be my friend? Write back soon.

Love,
Mr Yummy Rice Cake

**I Miss You, Brave Tin Soldier**by **Law Wing Hong Tony 5B**

Tuesday

22nd January

I played with my favourite toys today. I put the Brave Tin Soldier near the window. It was windy, so the Brave Tin Soldier fell out of the window. I felt sad. I went downstairs immediately but I could not find him. One of my neighbour saw Sam and Tom make a paper boat and send my soldier down the gutter. I went to their house and asked them, "Have you seen my One-legged Tin Soldier?" They said, "Sorry, we haven't seen it." Then, I went home sadly. I cried very hard on my bed.

At night, I was still thinking of my Tin Soldier. Would a big fish eat him? I couldn't sleep. I miss him so much. ☹

**A Letter to a Festival Character**by **Lau Cheuk Lam Angel 5D**

Dear Mr. Delicious Rice Dumpling,

How are you doing? I miss you so much! I have not seen you for a long time! Although we are brothers, it is very difficult for us to see each other. That's because we're not at the same festival! I have a lot of friends here, but I always remember you, brother! When I think of our lives in the past, I will weep. I miss you very much!

But if Qu Yuan didn't do what he did on that day, we might be at the same festival! It was all my fault.

Many years ago, Qu Yuan jumped into the river. People wanted to drop me into the water, so the fish would not eat Qu Yuan's body. I didn't want to be in the water because the fish were greedy and rude and the water was dirty! I pushed you to the people. They dropped you into the river. Are you still angry? Please forgive me and forget all that! I am very sorry that I did this terrible thing! Please give me a chance! I won't be selfish again!

Please tell me how you feel now! I hope you are not angry with me now!

Yours,

Mr. Yummy Rice Cake

The name of this festival is Free Festival. It is set on 1st June. It is a holiday.

We celebrate this festival because we want to buy things for free. We can also give free gifts for poor people on this day. We can go to shopping malls, eat and shop for free. We feel happy.
