The Helpful Brown Cow

by Chan Hei Tung Zita 3A

Last Monday, the helpful Brown Cow, the hard-working Rabbit, the nice dog and the lazy Duck were on the farm. The Cow wanted to feed the pigs. She asked the animals to help her.

“Who will help me feed the pigs?” asked the Cow. “I will!” said the Rabbit and the Dog. “No, I will not help you,” said the Duck.

The Rabbit and the Dog helped the Cow but the Duck did not help. The Rabbit washed the pigs. The Dog took care of the pigs but the Duck slept on the bed.

Later, the pigs were fat. The Brown Cow made some roast pork. Everyone wanted to eat the yummy roast pork. Only the Duck could not eat it because he did not help. He felt sad.

We should work hard to get what we want.

by Lai Wai Ue Jane 3A

Last Sunday morning, I met Hanna the gingerbread girl in the park.

We did a lot of things. First, we went roller-skating. We roller-skated in the park. Hanna the gingerbread girl was good at roller-skating. We felt great.

Next, we played table tennis. Hanna the gingerbread girl was good at sports. She could play table tennis very well. We felt excited.

Finally, we took a rest and ate some strawberry candies. The candies were tasty. We had a great time.

I felt happy because Hanna the gingerbread girl played with me and ate candies with me.

Poodle Dog's Diary on Sunday

by Chan Jing Nam Jenna 3D

Sunday

Sunny

It was sunny today. Dog invited me to have lunch together. After lunch, we watched TV and played with a ball in the living room. I felt excited.

Suddenly, Dog ran to Cat and licked her face. I was jealous because I wanted to be friend with Cat, too. I would play a trick on Dog but my mind told me that my master would be unhappy for what I did. He would punish me so I gave up and went back home.

I felt sad because I could not be friend with Cat. I promised to myself I would try again next time.

My Favourite Present

by Lun Sze Ting Angel 3C

My favourite present is a kimono. My mum bought it for me when we went to Kyoto, Japan.

The kimono is long. It is pink. There are some red flowers, green leaves and yellow sunflowers on it. It is beautiful and colourful.

I love it because I can keep it for a long time. When I wear it, mum says, "You are very beautiful!"

Dog's Diary on Sunday

by Gibbons Jack Lee 3D

Sunday

Sunny

It was an interesting day today. I was watching TV in the living room. I saw Cat sleeping in the big sofa.

When Cat woke up, I gave her a "surprise"! I jumped on the big sofa and licked her face. She was scared of me at first, but then she liked it. I felt great.

Tomorrow I will lick Max. I think he will like it, too!

A Letter to Mum

By Chu Tsz Ching Charlotte 3B

Dear mum,

I know you are angry because I did something wrong today. I broke your telephone. I felt very sorry.

Today at twelve o'clock at noon, I played football at home happily. When I played football, I kicked it onto the table and hit the telephone. I felt scared because I thought you would scold me.

Now, I know that I shouldn't play sports at home. I will buy a new mobile phone for you at UNY with my pocket money. I hope you will be happy again.

Love,

Charlotte

Dog's Diary on Sunday

By Ngao Cheuk Yan Jayden 3C

Sunday

Sunny

It's boiling hot today. I stayed at home with Max, Granny and Cat. I licked Cat. Cat ran to the garden and I ran to the garden too. I chased after Cat. Cat felt upset. She went back home and slept on the big chair.

Then, I licked Cat again. Cat fought with me. Granny saw this and said, "Stop! Stop! Don't fight!" We stopped fighting so Granny gave me four big bones.

I felt great. I will try to play with Cat next time. Today was fun.

A Day in My Friend's House

by Cheung Wan Chun Kippy 3D

25th February, 2018

Sunny

This afternoon, I went to Mimi's home because it was a holiday. We played hide-and-seek happily. We had lunch and drank some orange juice. It was so nice!

Then, we played hide-and-seek. There was a vase on the table. We were too excited and broke the vase accidentally. I felt sorry and worried. I wanted to buy a new vase to Mimi's mum. I went to the department store nearby.

"How much is the vase?" I asked. "It is twenty dollars," said the shopkeeper. It was expensive but beautiful. I bought a new vase and some flowers with my lucky money.

At last, I went back to Mimi's home and said sorry to her mum. I gave her the vase and the flowers. She said, "You are a good girl. I forgive you!" I felt happy. I will be more careful when I play.

About Me

by Ng Mei Yin Mia 3A

My name is Mia. I am nine years old. My birthday is on 22nd March. My mother is a housewife. My father is a worker. I have one sister. Her name is Anna. She is cute. The colour I love best is sky blue. My favourite food is onion rings. I like to drink milk, juice and lemonade.

I feel excited when I go ice-skating. It is fun. I love ice-skating. I feel scared when I see a snake because snakes are ugly and scary. I don't want to see them.

My mother says I am careless because I always forget to bring my homework to school. I need to be careful. I will try my best not to do it again.

A Day in My Friend's House

By Lam Hoi Lok Harold 3B

Date: 4th February

Weather: cloudy

At one o'clock in the afternoon, Jack and I went to Max's home. We went there by bus. We played a lot of games. First, we played with puppets. The puppet show was fun. Next, we drew pictures. We like drawing very much. Then, we tried to fly a kite in the living room.

When we were the flying the kite, a vase fell down suddenly. It broke into pieces. We felt worried.

We went to UNY and bought a new vase. The vase was one hundred dollars and Max spent fifty dollars. Jack spent twenty-five dollars and I spent twenty-five dollars. I felt sorry.

At last, we went back to Max's home and we said sorry to Max's mum and gave her a new vase. I felt relieved. I learnt that we must be careful.
