### An Unlucky Day

by Zeng Ka Yee Kelly 5B

Our school picnic day was on 15th April, 2018. There was a car accident on the way to Wetland Park. I was one of the passengers travelling on the school bus. What a terrible day!

On that day, my classmates and I went to school by school bus. Then we went to Wetland Park with Miss Wong. The school bus was full of students. We all felt excited.

We sang songs and played games on the school bus. However, we felt frightened because the school bus driver drove very fast when there was a sharp turn on the way to Wetland Park. I held the handrail tightly.

There was a boy riding a bike in front of us. He was listening to the music. I felt worried.

Suddenly, he fell down on the road. The boy crashed into the school bus. He got hurt but we did not get injured. Finally, we called the police. The ambulance came fast. The boy was sent to hospital.

I learnt that we shouldn't ride a bike very fast on the road. And we should not listen to the music while we are riding a bike.

## Hong Kong, My Home Sweet Home

by Ho Cheuk Ting Wilson 5C

Hong Kong is a wonderful place  
And the people are full of grace.  
We all work diligently  
And the children are playing happily.

If you feel a little bit hungry,  
You should visit the malls quickly.  
Sit down and have a great meal,  
Or buy some snacks at the street stalls.

There's another thing that you can do in the malls,  
Come to the shops and buy things you want.  
Clothes, food, toys or balls,  
You can get anything in cheap price.

Hong Kong is an international city,  
where Chinese and Western cultures meet.  
There are many festivals here  
that you can try with lots of cheers.

Anyway, Hong Kong is my sweet sweet home.  
I am glad to live here with my family.  
Whatever you say,  
I think I will stay.

Dear Mr. Chan,

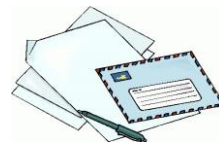

I know you are organizing a summer outing for P.5 students but you have not decided where to go yet. I have read your notices and learnt more about Sai Kung Outdoor Recreation Centre and Tai Mei Tuk Water Sports Centre. I think I like Sai Kung Outdoor Recreation Centre more.

I like Sai Kung Outdoor Recreation Centre because there are many classes provided. For example, we can have wall climbing class. It is very exciting. Also, we can have a football class. We can have fun with friends. We can do archery. It is challenging.

I don't like Tai Mei Tuk Water Sports Centre because I don't like swimming. I don't like windsurfing because it is dangerous. I don't like kayaking because we may be in trouble. I don't like sailing too because it is boring.

I really like Sai Kung Outdoor Recreation Centre. It is more fun. If we decide to go there, we can take a bus. It takes about 30 minutes to go there from Choi Hung. It doesn't take too much time. Have you ever been to any of these two places, Mr. Chan? What do you think about these two places?

Please write back soon.

Love,
