A Speech from Gingerbread Girl

by Siu Man Yau Manna 3D

Hi, my good friends! My name is Nicole the Gingerbread Girl. I am so greedy. Every day, I drink a lot of milkshake and eat ten pancakes. The other gingerbread men say my smile is sweet when I am eating.

My round face is yellow. My body and legs are yellow, too. My eyes and my nose are black. My mouth is red. I have a ribbon. It is red. I have three buttons. They are green, red and blue. My hand is holding a candy stick. I like to play in the park.

One day, I threw a basketball in the water. Many nice fish played with me. I felt happy.

I am lazy but I can play basketball. I am not afraid of water. I can swim. I can run fast, too. No one can catch me. I am the superwoman!

An Email to Sally

by Siu Yu Fei Gladys 3A

Dear Sally,

Thank you for your email. I want to suggest two things for you to do for your mum's birthday.

First, you can buy some seeds for your mum because she loves planting. They are useful because you can grow flowers with them. You can keep them for a long time. They are twenty dollars. They are cheap. I think your mum will like it.

Second, you can buy some flowers for your mum because she likes flowers. They are beautiful. They are one hundred dollars. They are expensive but I think it is a great idea.

I hope your mum will like your gifts.

Love,
Sarah

Cat's Diary on Sunday

by Wong Wai Ching Vicky 3C

Sunday

Sunny

I ate cat food in the living room with Dog at seven o'clock this morning. The food was yummy. I like it very much. After breakfast, I slept on the sofa and had a dream. The dream was about Granny. She gave me fifteen fish for my lunch. She also bought ten sofas for me. I could sleep on ten sofas. It was great.

Suddenly, Dog barked at me and I woke up. When I saw Dog, I felt angry. But Dog licked me! I felt shy. I licked him, too. Max saw that and he was shocked. Granny was shocked, too. After that, Granny bought one more sofa. One was mine and one was Dog's. Also, we had more food. Dog and I were excited.

I will kiss Dog tomorrow and I will buy bones and a dog ring for him.

Dog said he would buy a new pink bowl for me and he would pick a rose

from Granny's garden. I love Dog because he is graceful and nice. I love the gifts, too!

A Day at McDonald's

by Wong Tsz Him Ivan 3D

My classmates and I went to McDonald's last Tuesday. I ordered Filet-O-fish, McNuggets and a medium cup of Fanta. They were yummy and great but unhealthy. The fish was juicy, the McNuggets were soft and the Fanta was sweet. I ate with Tony and Sofia. We felt so glad.

I like going to McDonald's. I hope I can go there every week.

Kim in the Park

by Chu Xing Er Winnie 3D

Hi! I am Kim! I am in CoCo Park. Look! I am walking with a dog. The dog is running very fast. My cousins are playing hide-and-seek. We play happily. My sister is eating ice-cream because today is so hot. I want to eat it too, but mum said I can't eat ice-cream because I have a cough.

There is a squirrel in the tree. The squirrel is so cute. My sister's favourite animal is squirrels. I like them too.

Today I am very happy.

Classroom Cleaning Day

by Lo Cheuk Lok Charlotte 3B

Last month, my classmates and I helped to clean the classroom before Chinese New Year.

Our teacher wanted us to work together. "Chinese New Year is coming! Let's clean our classroom together," said Miss Chan. "That's a good idea!" said Winnie, Coey and Charles. Then, Winnie swept the floor. Coey cleaned the blackboard. Charles wiped the desks and I cleaned the windows. We felt happy but we were tired to work for a long time.

Suddenly, a bee flew into the classroom. Winnie, Coey and Charles were scared.

Then, we told the janitor to open the windows. The bee flew away from the windows. All the classmates felt happy again.

We learnt that we should work hard and work together.

A Speech from Gingerbread Man

by Wong Hing Lou Vickie 3A

Hello, my best friend! We haven't seen each other for a while. Let me introduce myself!

I am Victor the Gingerbread Man. I am yellow. I come from America. I am made of ice and gold. You can break me with your hands instead of a hammer.

I can ice skate. I am amazing. Do you know why? It is because I can do many tricks.

I like running, too. I am the best runner in the world.

Can you be my best friend?

**A Terrible Day with Sam the Gingerbread Man** by So Ching Kiu Kenix 3C

At nine o'clock in the morning, I met Sam the Gingerbread Man in Morse Park, Lok Fu. We walked and talked together. Suddenly, someone kicked a football onto Sam's face. He felt bad and his face was broken. He couldn't see anything. It was horrible and bad. I felt scared because Sam did not have a face.

Then we bought some flour in the market because we wanted to repair Sam's face. We bought some Maltesers to make his eyes. His face and eyes were recovered. After that, we wanted to buy a toy gun but there was nothing in the toy shop. We were disappointed.

At last, we went home. On our way home, we met some dogs. The dogs barked at us fiercely. Sam was scared and ran away. The dogs chased Sam and ate him.

It was a terrible day because Sam the Gingerbread Man was eaten by the dogs. I missed him so much.

Poodle Dog's Diary on Sunday*By Hui Nga Ki Kelly 3A**Sunday**Sunny*

Today, I walked in the park. I saw Dog climbing on the rooftop of a kiosk. I thought Dog was playing on the rooftop. But he shouted, "Cat is chasing me now. Please help me!"

I climbed up the ladders and helped Dog.

Dog said, "Thank you very much." He ran away. Then I saw Cat chasing Dog. She looked angry.

"What happened?" I asked Cat. She shouted angrily, "Dog licked me! I don't like it."

Later, I saw Dog hiding near the pond. I said to Dog, "You should say sorry to Cat." Dog was sad. He said sorry to Cat.

I should tell Dog not to lick me when he plays with me tomorrow.
