### My Christmas Party

by Fong Sze Yan Hanna 4D

Dear Harry,

How are you? I had a Christmas party last month. I felt happy. Let me tell you about it.

First, we had a mass in the hall. We prayed quietly. We sang some hymns together joyfully.

Next, we had a lucky draw in the hall. We were so excited. We shouted our classmates' name loudly.

Then, we had a Christmas party in the classroom. We took photos with Santa. We smiled happily. After that, we had some party food. We ate hungrily. The party food was tasty. I loved it very much.

Finally, we cleaned up the classroom busily. Somebody picked up the rubbish quickly. Some of my classmates cleaned the table with a wet cloth.

I felt great about the party. What did you do at Christmas? Please write back soon.

Love,  
Hanna

## A Sick Experience

by Choy Cheuk Him Jeremy 4B

Karen received her pocket money from her mum yesterday. Her mother gave her fifty dollars. She was surprised. After a while, she felt hungry. She wanted to buy a sandwich. When she was walking to the supermarket, she saw a food stall in the street. The fish balls seemed yummy. She bought some for herself.

Later, Karen had a stomachache. Her mother took her to the clinic to see the doctor. The doctor asked Karen to drink a lot of water and eat healthy food. He also gave Karen some medicine and asked her to take a rest.

Karen followed the doctor's advice. She also took the medicine on time. She recovered very soon. She would never eat food from the food stall in the street again.

3<sup>rd</sup> January, 2019

Dear Harry,

I had a class Christmas party on 21<sup>st</sup> December, 2018. It was exciting. Let me tell you about my Christmas party.

First, we had a lucky draw in the hall. I won a toy gun. I felt great but Tommy cried because he didn't get any prizes. So I gave my toy gun to him. He felt happy again.

Next, we sang Christmas carols in our classroom. We sang 'White Christmas'. It is my favourite Christmas carol.

Then, we had some party food. We had a lot of food like fish balls, ham with pineapples and candies.

After that, we played party games. We played 'Step on the Balloons' and 'Musical Chairs'. The games were exciting.

Finally, we exchanged Christmas presents. I got a toy bus from Ken. I felt surprised.

I felt really happy at the party. I like having a lucky draw most. How did you spend your Christmas holidays? Please write soon.

Love,  
William

### A Horrible Dining Experience

by Wai Tsz Him Kaiden 4B

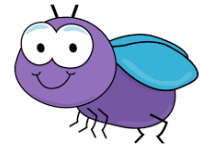

Last Monday, I went to Very Happy Restaurant with my family for dinner. It was a horrible dining experience.

We arrived there at six o'clock. The waiters were rude and impolite. They chatted loudly at the corner so they did not listen to me. They ignored my requests. They did not give me the menu. They also spilled some water on me.

The hygiene was very bad. The floor was dirty and the toilets were wet. I could find bugs in the restaurant, too.

The food there was awful. I ordered a bowl of soup but it was too oily. The steak was too raw. I was very disappointed about the dessert. I ordered the banana split but the ice cream melted when it was on our table.

The restaurant was very bad. I will not recommend this restaurant to my friends.

### My Chinese New Year Holiday

by Chan Wai Ching Christy 4D

Dear Phyllis,

How are you? What did you do at Chinese New Year? Let me tell you about my Chinese New Year holiday.

Before Chinese New Year, I helped my family clean the house. It was tiring but fun. After that, my family and I visited the flower market. I saw a lot of mandarin trees and peach blossom. They were beautiful.

On Chinese New Year's Eve, I had a reunion dinner at my grandparent's house. I ate some pork and vegetables. The food was delicious. I stayed up late until midnight. It was exciting!

On Chinese New Year's Day, I visited my relatives with my family. My relatives were nice. They gave me a lot of red packets. I felt great. Then we had a vegetarian lunch. The dishes tasted good.

On the second day of Chinese New Year, my family and I watched the fireworks on TV at home in the evening. The fireworks were colourful and pretty.

On the third day of Chinese New Year, we went to Che Kung Temple in Shatin. It was very crowded. There were a lot of people worshipping different gods.

How was your Chinese New Year holiday? Please write soon.

Love,  
Christy

## A Horrible Dining Experience by Yu Ngai Ting Nelson 4C

Last Sunday night, I went to Yo Café with my parents to celebrate my birthday. I was excited. Yo Café was in Lok Fu. It was a famous restaurant in Hong Kong.

We arrived at the restaurant at eight o'clock. I got a big 'surprise' when I entered the café because I saw a lot of flies in it. A waiter gave us the menu and some hot water rudely.

Next, I ordered a tomato soup as the starter but I saw a long hair in the soup. It was disgusting. I ordered steak too. The steak was tough and there was a dead fly on the steak. When I went to the washroom after dinner, I saw a lot of cockroaches and some spiders on the wall. My mum ordered some fried sausages but the sausages were raw and the beef stew tasted bitter!

I didn't want to go to this restaurant again. I felt so disappointed about its food and service.
