A Diary of a Character in The Brave Tin Soldier

by Huang Shun Kwan Kevin 5C

Monday

21st January

I saw a boy this afternoon. He was looking at me. First, I couldn't see him clearly because I was shortsighted. I thought he was smiling at me. Perhaps, he is a nice man. Then, he went near me. I felt scared. He was handsome but he has one leg only. Maybe he will be my husband.

At mid-night, a goblin came out from the clock. He was ugly and scary. He was shouting at the tin soldier. I wanted him to stop. I think both the goblin and the tin soldier love me. I don't know what to do. I don't know how to make a good choice.

A Healthy Lifestyle

by Liu Yan Wing Rain 5D

Dear Judy Yeung,

How are you? I would like to suggest some advice to you about your lifestyle.

Yesterday, you came to my clinic and told me that you have only one meal every day. I think it is bad for your health. You should have three meals each day although you are very busy. If you do not have enough food, you may feel hungry. You should have some healthy food so that you can have enough energy to work.

Also, it is very bad for you to sleep only two to three hours a day. You must sleep at least eight hours every day. If you do not have enough sleep, you may feel foggy and you cannot focus on your work.

Moreover, you should try to do something to make you feel relaxed. When you have bad mood, you can talk to your friends, listen to music or have a walk in the countryside. They are all good for you.

In conclusion, you should try eat healthy, sleep more and do something to make you feel happy after work. I hope that you will be a healthy person in the future.

Best wishes,

Dr. Tang

A reply letter to Mr. Chan

by Leung Sam Chak Wang 5B

7th January, 2019

Dear Mr. Chan,

I know you are organizing a summer outing for P5 students but have not decided where to go yet. I have read your letter and learned more about SKORC and TMTWSC. I think I like TMTWSC more.

I enjoy doing water sports. There are many water activities in TMTWSC. I love kayaking. I haven't tried sailing and windsurfing. I would like to try them all. I think it will be great!

There are many land activities in SKORC but I don't like them. I don't like riding a bicycle because it is tiring. I don't like archery because it is very dangerous. I have never played badminton but I think it is too easy.

I really think TMTWSC is more suitable for us. We can go there by bus. It takes about 60 minutes to get there. Please write back soon.

Love,
Sam Leung

Leo's Diary by Wong Yam Ching Julian 5A

21st January (Monday)

Sunny

Today was a colourful day because my dad gave me a birthday present. It was a box of tin soldiers. However, there was one soldier who only has one leg. I felt surprised but I still like it very much.

I put it in my bedroom. It was near the Dancing Lady. She is very beautiful. I put them together because they are both one-legged. I smiled happily. I played with them together excitedly.

I am very tired now. I need to sleep. Good night, Diary.

Festivals

Dear Mr. Handsome Firework,

How are you? We are going to see each other very soon. It makes me feel excited but afraid.

You are so colourful and spectacular when you burst in the sky. However, you made the air too smoky last year. My eyes were full of tears. I needed to see the doctor because I could not see things clearly. I was frightened.

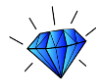

Luckily, I have recovered now! However, I am scared that your smoke will make me feel sick again. Would you please emit less smoke this time? I don't want to get hurt again.

Best wishes,
Miss Pretty Dragon Boat

A Thank you Letter

by Lam Siu Yu Tina 5A

Dear Happy Prince,

I am the little girl. In the past, I was poor. I did not have money to buy food, clothes, quilts or coats. I was hungry and cold. I felt unhappy.

Thank you very much for the sapphire. I felt thankful to see it on my desk. I sold it two days ago. Then I got some money to buy food, clothes, quilts and a coat. Now, I feel full and warm after having some food. I can go to school and play with my friends.

Thank you for your help! I promise that I will study hard.

Dear Mr. Excited Toy Fireworks,

How are you? I haven't seen you for a long time. We are going to see each other very soon. It makes me feel worried but excited.

I am worried because I got hurt last year. I felt pain because you accidentally burned me and my red packet brother up. And my red packet brother died eventually.

I am excited because I can see children playing happily with you at Chinese New Year. However, I am afraid that I may get hurt again. Would you please remind the children to be careful this time when they are playing with you? Thanks for your help!

Love,

A New Job at St. Patrick's School

by Yan Sin Tung Santo 5C

I create a new job for Mr. Chiu. Now he works as a Father Clown at St. Patrick's School. He works from nine o'clock in the morning to two o'clock in the afternoon.

Mr. Chiu meets students and teachers in his job. He plays magic tricks with students and gives them snacks such as cookies, fruit bars and candies. He also gives them some stationary, for example, beautiful pens and rulers. He also tells them jokes in English. He tells children stories about Jesus, too!

Mr. Chiu likes his job because he loves to meet students every day. He wants to introduce Jesus to children.

Let's learn and write!

Write with your pencils.

Learn by your hearts.

Yours will be special
