A Letter to the Enormous Crocodile

by Tsang Pak Ho Parco 6A

Dear the Enormous Crocodile,

How are you? Thank you for your invitation. I will not go to your Children Flesh Tasting Party. It is because I don't like eating children.

Firstly, I believe children are dirty. They do not wash their hands after they go to the toilet. They do not brush their teeth or take a bath every day. Secondly, some children are too fat. They always eat unhealthy food. If you eat them, you will get sick or you will be overweight. Thirdly, I think children are chewy. You need to chew them for a long time. Your jaws will be very tired.

Maybe you can try some fruit such as apples, lychees, strawberries and longans. They are yummy and healthy. Besides, you can eat vegetables such as carrots, corn, lettuce and cabbages. They are fresh and yummy.

I prefer eating fruit and vegetables to eating children.

Therefore, I will not go to your party.

Please write back soon.

Your friend,

Lion

My Dream Job

by Lo Yuet Long Chris 6B

I want to be a YouTuber when I grow up because it is a challenging job. If I become a YouTuber, I will make videos and visit different countries.

YouTubers need to be careful. They always take videos, so they need to hold the cameras carefully. They also need to make films on YouTube. I think this job is suitable for me because I am careful and humorous. A lot of my friends like my videos and I can make them happy. Also, I don't like to work with many people. I hope I can be a good YouTuber someday.

I really want to be a YouTuber. From now on, I will study hard and learn how to use different types of software so that I will know more about how to make good quality videos. I am sure I will be a successful YouTuber when I grow up.

A Robbery

Today is a holiday. Sam walked his big dog in the street. They felt very relaxed.

After a while, Sam saw a robbery in the back street. The robber was a tall man in a black T-shirt and black pants. He had a scar and a moustache. The robber wanted to take the woman's bag. He pointed at the woman with a knife. The woman felt very scared. Sam wanted to stop the robber.

Suddenly, Sam's dog ran to the robber and attacked him. The robber felt scared and dropped the knife. The woman felt thankful to Sam and his dog.

When Sam's dog was fighting with the robber, Sam called the police. After a while, the robber wanted to use his knife to hurt Sam's dog but he missed the chance. The dog ran in front of him and kicked his face. The robber fell down. Finally, the police came and arrested him. They thanked Sam and his dog and took the robber to the police station. Sam felt very happy.

An Accident in the Park

Wong Wing Chan Justin 6C

Joe went on a picnic with his parents yesterday. When they arrived, mum and Joe started to prepare for the food. Joe's dad is a photographer. He took photos everywhere with his camera. He looked so excited.

After a while, Joe and his mum started to eat the food. As the rubbish bin was far away from Joe, he decided to throw the banana peel on the grass. His mum was eating a sandwich at that moment, so she didn't notice that.

While Joe was chatting with his mum, dad was looking at the birds near them. Suddenly, a bee flew in front of him, so he stopped walking. He didn't step on the banana peel that Joe threw. When he saw the banana peel, he picked it up.

At last, dad knew that the peel was thrown by Joe because he was throwing another banana peel on the ground. Then dad scolded Joe for half an hour. Joe learnt that he shouldn't litter. Everyone needs to keep the environment clean.

A Visit to the Elderly Home

by Man Sam Yin Mimi 6A

25th February

Sunny

I did some voluntary work today. In the morning, I went to the elderly home with my teacher and classmates. The elderly home is in Diamond Hill. We went there by school bus.

When we arrived at the elderly home, we saw some elderly in the function room. First, we introduced ourselves. Then we sang songs sweetly. We sang 'My Love'. While we were singing, the elderly were clapping their hands.

Next, we gave the elderly presents such as scarves and towels. They felt great and said 'thank you' to us. After that, we chatted with the elderly happily. Then we played guessing games with them. We had tea with them too. We had some cakes, hotdogs and milk. Finally we had a magic show. It was a nice show.

I have learnt that 'Never look down on the help we can give.'

A Thank You Letter

by Liu Mei Ki Angel 6D

Dear Miss Lam,

Thank you for your teaching. You are the best teacher in our school. You always tell me what I did wrong so that I can correct it. You are a generous person too. When we get high marks in the exam or test, you will give us a little present to cheer us up.

During recess, you help me with some difficult English homework. Sometimes, you teach me how to make friends. You are also a kind teacher. I remembered once you talked to me at recess about what I did wrong in the PE lesson. I will never forget this.

I promise I will study hard in the secondary school and try to make more friends there.
Keep in touch. Miss you!

Yours sincerely,
Angel Liu

The Enormous Crocodile Clever Trick Number 5

by Lam Toi Yiu Yoyo 6C

Last Sunday, the Enormous Crocodile came back from the hot hot sun. He felt very hungry, so he went to St. Patrick's School in Lok Fu to look for some juicy children. At first, he made himself look like a student.

At that moment, the EC saw a classroom that has only three students. The EC was really hungry, so he quickly went into the classroom and talked to the students. However, the three students didn't talk to him because they didn't know him at all. Soon, the EC opened his big mouth and wanted to eat them. Suddenly, Sailor Moon appeared. She shouted at the students, "Look out! He is the Enormous Crocodile!" Sailor Moon quickly defeated the EC by her magic power. The EC wanted to escape but Sailor Moon caught him and brought him to the zoo.

The EC felt sad. He could only eat fish but not children anymore.
