In the Park

By Lam Siu Lun Sunny 3A

Hello! I am Sunny Lam. I am in Morse Park.

There are some trees and flowers. There are some animals. They are so cute. I think they want to play with me. Some girls are hiding behind the fence. There is a black crow flying in the sky.

When I am playing hide-and-seeK, some people are looking at me. Look! There is a squirrel on my head.

I have a great time in the park.

Subject: A Birthday present for mum

Dear Sally,

Thank you for your email. I want to suggest two things for you to buy for your mum's birthday.

First, you can buy some seeds for your mum in a flower shop. They cost twenty dollars. They are huge and they are brown. They are cheap. I think it is a good present for your mum because she loves planting.

Second, you can buy a pot for your mum in the flower shop too. It costs thirty dollars. It is useful. It is cheap too. I think it is a nice present for your mum because she can keep it for a long time.

I hope you will find my suggestion useful. Please write soon.

Love,
Sarah

My Best Friend

by Zhong Hing Ping Kitty 3C

My best friend is Winnie. She is so tall. She is taller than me. She is thin. She has small eyes, a small mouth and long hair. She wears pink glasses, too.

Every day, we talk at the first recess. We go to the library to read books and play games in the playground at the second recess. At lunch time, we have lunch with our classmates.

I feel happy when I do things with Winnie because she plays with me every day. I like Winnie very much.

A Story About My Day

by Lau Yau Ching Rachel 3D

When I wake up, I look at the alarm clock. Oh, no! It is already nine o'clock! I will be late for school! Then I wear my uniform and eat my breakfast at the same time. I need to go to school very fast.

When I arrive at school, I find the school gate is closed. Oh! Today is the Christmas holiday. There is no school today.

I go home at ten o'clock. After I go home, I tell my mum what has happened. She laughs at me. I feel so embarrassed!

Helping a bird by Jan Chung Yin Jeffrey 3A

This morning, Mike saw a bleeding bird. It flew towards his balcony. He felt surprised.

Mike saw the bird's wing was bleeding. It felt pain and sad. Mike felt worried about it.

Mike helped the bleeding bird. He was calm. He took some bandages and put them on the bird's wing.

At last, Mike put the bird in a cage and kept it. He played with the bird happily.

Dear Sally,

Thank you for your email. I want to suggest two presents for your mum's birthday. First, you can buy some seeds because your mum loves planting and flowers. The seeds are twenty dollars only. They are cheap. You can save much money.

Second, you can buy flower earrings. Your mum likes taking photos and she loves flowers. The earrings are beautiful and useful. They are eighty dollars. The price is reasonable.

I hope you will find my suggestions useful. Please write soon.

Ben in the Park

by Ng Ping Hei Willis 3D

Good morning! I am Ben. I am in Morse Park. I am riding on the roundabout. The see-saw is next to the roundabout and a slide is behind the roundabout.

Oh! I can see Pikachu in the park. He is near the roundabout. Look! Hello Kitty is behind Pikachu. I think Hello Kitty wants to play with Pikachu.
