A Day in Fun Fun Toy Shop

by Chan Sung Hei Jacob 3A

The weather was good yesterday. Mum and I went to Fun Fun Toy Shop in Kowloon. We wanted to buy some toys.

I saw robots, toy cars and jigsaw puzzles in the toy shop. Then, I took a robot from the shelf. It was big and blue. I like it very much. I felt happy.

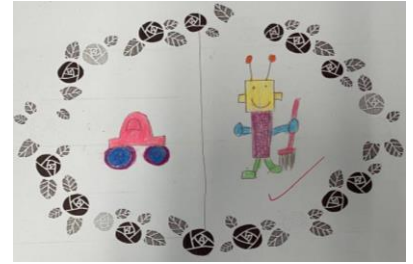

Suddenly, I dropped the robot onto the floor. It was broken. I felt so worried.

I told Mum about the broken robot. She scolded me and she paid for the robot. I felt sorry. I learnt that I should not touch the toys in the toy shop. I should look at them only.

A Letter to Santa

By Fung Chun Hang Vitus 3B

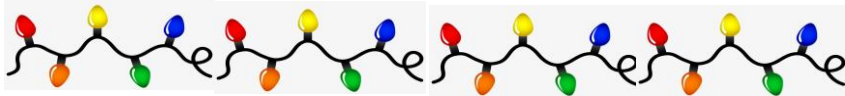

Dear Santa,

I have been really good this year. I would like to have a Christmas present from you. May I have any of the following gifts?

First, I would like a robot. It is colourful. It is big. There are many small robots inside. It is one thousand dollars. It is expensive but it is useful. I like it because it can sweep the floor. I love cleaning.

Moreover, I would like a toy car. It is red, blue and purple. It is small. There are five seats inside. It is fifty dollars. It is cheap but it is funny. I like it because I can play with it. I love playing toy cars.

At last, I hope I can get a present from you. Merry Christmas!

Love,
Vitus

A Happy Day with Dayton the Gingerbread Man

by Lee Chi Ting Dayton 3C

Last Monday, I met Dayton the Gingerbread Man in the street in the morning. I invited him to go to the school fun fair with me.

First, we watched a puppet show in the hall. The show was about 'Mulan'. It was interesting.

Then, we had face painting in the art room. Somebody drew a bat on my face. It was new for me.

After that, we ate some snacks at the booth. The snacks were yummy. I felt great.

At last, it was time to go home. It was a happy day with Dayton the Gingerbread Man. I tried face painting. I love it.

A Letter to Mouse by Yu Wing Hei Haylie 3D

Dear Mouse,

How are you? I know Tom and Danny teased you. Are you okay? Your hair looks good.

I told Mrs Turner and Mr Hopkins about the teasing. They will help you. Don't feel upset. It will be okay. I hope that you will be happy. Start from tomorrow, let's go to school together. I will share my snacks with you. We can make an apple pie and some cupcakes together after school.

If Tom and Danny tease you again, you should be strong and express how you feel about the teasing.

I hope you feel better now. Don't be sad. Be happy.

Please write soon.

Your friend,

Haylie

Things I Do on Saturdays by Woo King Long Minion 3A

On Saturdays, I usually play tennis. It is because my mum said that I need to do some sports.

I play tennis in the park because there is a lot of space. I go to the park by bus.

Now I love to play tennis because I can be fit. From now on, I will try other kinds of sports.

A Speech from Tricky the Gingerbread Man

by Shiu Man Hei Michael 3B

Hello, my dear friends! My name is Tricky the Gingerbread Man. I am 5cm tall. I am small but brave. My face is yellow and red. My body is yellow and red too. I am made of iron so I am hard. I can fly high in the sky and play with my bird friends. We have a flying race. Now I can fly fast.

No one can catch me! Don't waste your time!

Kelly in the Park

by Chow Long Hei Oscar 3C

Hello! I am Kelly. I am in ABC Park. Look! I am flying a kite. Look! My brother is flying a kite, too. Our kites are beautiful.

There is a bench behind my brother. There is a slide in front of me. There are some birds flying in the sky. Oh, the snail is walking on the grass.

I am happy because I can fly the kites. I love playing in the park.

Classroom Cleaning Day

by Leung Sze Yiu Yoyo 3D

Today is one week before Chinese New Year. It is the Classroom Cleaning Day at school. At ten o'clock in the morning, our class teacher, Miss Lai, asks all 3D students to clean the classroom.

My classmates and I work together. I am cleaning the desks with a wet towel. May is sweeping the floor with a broom. Ann is cleaning the blackboard with a towel. We feel glad but tired.

When we are cleaning, there is a bee flying in the classroom. I don't move. May drops the broom and Ann cries. I feel worried. May and Ann feel afraid. Some classmates shout and run in the classroom. I tell Ann not to cry and pick up May's broom. Then I open the windows and the bee flies away.

I learn that I should be brave when I see a bee. Chinese New Year is coming. I will put some red decorations in the classroom and enjoy my long holidays.
