### A Horrible Dining Experience

by Yang Jing Yi Mimi 4A

Last Sunday, I went to Mi Restaurant by myself. The restaurant is in Sha Tin. I went there because it was my birthday. I felt upset after I had dinner there.

I ordered sweet and sour pork, salmon sushi, beef curry and rose tea. The food tasted too sweet. The fusion dishes were not delicious and the soup was cold. Also, the food was burnt. I felt sad. I did not want to try it again.

The waiters and waitresses were unprofessional. They served me impolitely. They did not listen to me. I felt very sad again.

The hygiene was not good. The table was untidy. There was an insect on the dish. The forks and spoons were unclean. The floor was wet. I felt angry.

The restaurant was very bad because the taste, hygiene and service were awful. I felt sad and angry. I will not recommend my friends to go there.

## A Sick Experience

by Tess Chan 4B

Karen's mum gave her pocket money last week. Karen got one hundred dollars from her mum. She was great. She said 'thank you' to her mum.

She felt hungry. Then she went to the food stall and bought fish balls in the street. She likes fish balls very much. They taste good.

After she went home, she ate the fish balls. They were yummy. After a while, she had a stomachache. She told her mum how she felt.

Then she went to see a doctor. She followed the doctor's advice. She should not eat junk food in the street. It was dirty. She should take a rest and drink plenty of water.

Karen learnt a lesson. She should not eat street food. She should prepare food at home.

## My Christmas Party

by Choi Yu Tung Kiro 4C

Dear Bo Bo,

How are you? I had my Christmas party at school on 15<sup>th</sup> December, 2020. It was great! Let me tell you about my party.

First, we had a mass. We sat down in the hall and prayed quietly.

Second, we had a lucky draw. Oh! I got a teddy bear! It was so cute. However, I don't play with a teddy bear so I gave it to my class teacher, Miss Kwan. She loved it so much.

Then we sang Christmas carols. I love 'White Christmas' and 'Jingle Bells' very much.

Next, we had some party food. We had some pudding, turkey and a pizza. They were so delicious.

After that, we exchanged presents. I got a toy gun. I love it.

Finally, we took photos with Miss Cheung, Miss Kwan and Santa Claus. Santa Claus was fat and lovely.

I felt happy at the Christmas party. How about your Christmas party? Please write back soon!

Love,  
Kiro

## **My Favourite Family Members** **by Lee Ka Hei Issac 4D**

I have four family members. They are my father, my mum, my sister and me.

My favourite family members are my father and my mum.

My father is a designer. He designs cards beautifully. He works in a mall. My mum is a clerk. She works in a bank. She works busily.

They are different ages. My father is younger than my mum. My mum is forty years old. My father is thirty-nine years old.

They are different heights. My father is taller than my mum. My mum is one hundred and fifty-five centimeters tall and my father is one hundred and sixty centimeters tall.

They are different weights. My father is heavier than my mum. My mum is forty-six kilograms and my father is sixty-eight kilograms.

My father and my mum have different hobbies. My father likes drawing and taking photos and my mum likes watching movies and cooking.

They like different kinds of food. My father likes eating spaghetti and pizza. He usually buys them from Good Food Restaurant. My mum likes eating crabs. Her favourite kind of crab is hairy crab.

On holidays, I usually play card games and play board games with my parents. We also have desserts and go shopping. I love my parents very much.

## **A Horrible Dining Experience** **by Kwok Tin Shun Kenson 4A**

Last Sunday, I went to Suwabay by myself. The restaurant is in Wong Tai Sin. I went there for lunch. I felt disappointed after I had lunch there.

The food tasted sour and bitter. I ordered corn soup for the starter. The food was too sweet. The food made me sick. It was awful. I ordered spaghetti with meat sauce as well. It had too much sauce. The food was burnt. I ordered cheesecake and it was too sweet! I ordered coffee as well. The coffee was too hot. I wanted to vomit. I never want to eat there again.

The place was small and there were bugs. There was no music provided. There was not much light. I felt disgusted.

The food cost five hundred dollars. It was too expensive when the food was awful. It was not reasonable. Also, there was no discount and I must pay by cash.

I won't recommend anyone to eat at Suwabay. I will rate zero stars. I don't like it because the taste, environment and cost are bad. I feel disappointed. I think it could be much better. This is my review. I hope people agree with me.

### **A Horrible Dining Experience**

**by Yau Lok Ka Rocky 4B**

I went to Li & Fung's Cold Kitchen on 9<sup>th</sup> May. We had a horrible dining experience.

I don't like Li & Fung's Cold Kitchen. I ordered a bowl of corn soup. Then, the waiter served it on my table. It was nasty. Tom loves sweet food very much. Tom ordered seafood noodles. It was not fresh. He ordered waffles as a dessert. Tom got a surprise. It tasted the worst dessert in the world.

After that, Tom found a fly in the dish when the waiter gave me my favourite dish. It was disgusting!

The environment was poor too. The paintings were very old on the wall. The tables were very old. The door was broken.

I will not go there to have meals again. We felt so angry.

### **A Horrible Dining Experience**

**by Ho Kwan Nga Edna 4C**

I went to Cody's Restaurant last Sunday. It is in Kowloon City. I went to the restaurant with my friend, Charlotte. It was a horrible dining experience.

We ordered chicken soup as the starter. It was oily. We ordered sweet and sour pork as the main course. It was too sour and the meat was raw. We also ordered chocolate cake and iced chocolate. The chocolate cake was hard and the iced chocolate was not cold.

The environment was horrible too. It was crowded and noisy. The floor was wet and I found some spiders on the wall. The toilet was dirty and smelly.

The waiters and the waitresses were rude and not attentive. They shouted at me. I saw them make a kid cry.

I will not go to Cody's Restaurant forever.

### **The Person I Admire**

**By Leung Tsz Ching Alice 4D**

Lee Wai Sze Sarah is the person I admire most. I like her because she is brave and hard-working. Let me tell you something about her.

Sarah is one of the best athletes in Hong Kong. She was born on 12 May 1987 in Hong Kong.

She is a strong and fit person. She is a famous professional cyclist. She is the winner of many world cycling competitions.

She is a hard-working person because she practises cycling for hours every day. She is a brave person too. She broke her arm but she did not give up.

From Sarah Lee, I learn that I should be hard-working. As a student, I need to study hard. I want to get high marks in the tests and exams.
