You have bad eating habits. You should have a balanced diet every day. You must eat more vegetables and fruits. Please drink less coffee and drink more water. You should drink at least eight glasses a day.

You should try to do more exercise. You can go jogging after work. It can make you feel calm. You can also do yoga for thirty minutes every day. You feel relaxed.

You don't have enough sleep. You have to sleep at least nine hours a day.

I hope you can try to follow my advice. Then you will have a balanced lifestyle.

**A Thank You Letter to the Happy Prince**

**by So Zachary 5D (22)**

Dear Happy Prince,

I am the young man who lived in a garret. Thank you for your sapphire. I sold the sapphire and I got some money.

In the past, I was poor. I did not have any money to buy food so I was always hungry. I would faint anytime. I lived in a dirty garret. There was almost no furniture.

Now I have some money. I bought shoes and gloves to keep myself warm. I also bought a lamp to make the room bright enough for me to see. I got some firewood to keep me warm in the room.

Thank you for your help. Now I can write the script for the play. I will earn some money soon. I promise I will donate some money to the charity.

Love,  
The Young Man

## A reply letter to Miss Kan

by Yau Lok Ka

### Rocky 5A (20)

Dear Miss Kan,

I know you are organizing a summer outing for our class but you have not decided where to go yet. I have read the two notices and learnt more about SKORC and TMTWSC. I like SKORC more.

I have never been to SKORC before but I know there are many activities in this recreational centre. For example, there is an archery course. I have never done archery. I really want to try it. I think it is interesting. Moreover, the camp fee is low and there is no course fee.

I will not choose TMTWSC. I can't swim. I cannot try any water sports. I think water sports are dangerous. Windsurfing is too difficult for me. I cannot handle the forward strokes or the sailing skills.

I really think SKORC is more fun. If you decide to go there, we can take Bus 89 or minibus no.8 at the exit of Choi Hung MTR station to Sai Kung. Then, get off at Sai Kung Fire Station and walk to the centre. It takes about one hour to get there. What do you think of SKORC, Miss Kan?

Love,

Rocky

The statue of Stephen Curry stood on the Avenue of Stars. He had fine diamond grains on his body and two sapphires for his eyes. He was holding a basketball which was made of gold. He was very famous for basketball.

One day, Curry was extremely bored. He wanted to play basketball with his teammates in NBA. Suddenly, Sonic came.

"Where are you going?" asked Curry.

"I am going to the arena to watch the basketball competition," answered Sonic.

"Please let me go with you!" said Curry.

Sonic agreed and he held Curry in his arms. They went to the arena at the speed of sound together.

When they arrived the arena, one of Curry's teammates threw a real basketball to him. Suddenly, the statue of Curry turned into a real man. Curry's teammates and Sonic were surprised because it was unbelievable. Curry was so happy because he became a real man again!

Windy

Yesterday, my dad told me that his friend gave him a sushi coupon. It was a free sushi coupon for a person. All of us liked to eat sushi. We felt happy because we could have free sushi.

Although it was typhoon signal No.3 tonight, the coupon's valid until today. As a result, my family and I had sushi in the Japanese restaurant tonight. We enjoyed our food and the view of Victoria Harbour in Tsim Sha Tsui. We were mouth-watering because the food looked great and we ordered a lot of sushi.

Suddenly, the waiter told us, 'Typhoon signal No.8 is issued. We will close soon.' What? It was typhoon signal No.8! The waiter said, 'Sorry, please go home to finish your dinner.' We felt upset because we could not finish our dinner in the restaurant.

We went home as fast as we could. The wind was strong. It rained heavily. After we arrived home, we watched the weather report. Typhoon Seahorse was very terrible. I felt worried as the weather turned bad.

Although we could not finish the dinner in the restaurant, we learned that safety was important.

### A Road Accident

by Cheng Chin Lok Quintus 5D (3)

At around 8:10 a.m. on 3rd March, there was a road accident in Fu Mei Street. I was a passenger on the school bus. What a horrible day!

My classmates and I got on the school bus at 7:30 a.m. My classmates were chatting with one another while I was reading books. The driver looked tired.

Suddenly, the driver drove fast and the school bus lost control. My classmates shouted loudly. Some of my classmates fell onto the floor. I felt frightened.

Soon, I saw a young boy riding a bicycle on the road. He was fast. I thought the young boy was late for school. I was worried about him.

Unluckily, the school bus crashed into the bicycle. The boy fell down and hurt his legs. The witness called the ambulancemen. The ambulancemen arrived and they took the boy to the hospital. I was scared.

Stormy

Yesterday, Uncle Ben gave a coupon for a set of free sushi to my dad. It was amazing. Dad planned to go to the restaurant to celebrate my sister's birthday tonight. The restaurant was in Tsim Sha Tsui.

We went to the restaurant by taxi in the evening. Our table was next to the windows. It was the first time that I had dinner with a fantastic night view. It was wonderful. The food was good, too.

Suddenly, a waiter came and told us bad news. Typhoon signal no.8 was issued. The restaurant would be closed soon. We had to check the bill and go home immediately. When we walked in the street, there was no taxi. We went home by MTR.

It was a horrible experience. We learnt a lesson. We should watch the weather forecast before we go out.
