It was a sunny day. In the morning, I went to the supermarket with my dad and my mum. We bought fruits, sweets, vegetables and much more. I felt happy.

In the afternoon, we stayed at home. We played computer games, card games and so on. My mum cooked us fresh and sweet food for lunch. It was delicious.

In the evening, we went to a restaurant for dinner. We ate delicious food. We ate French fries, spaghetti, cake and watermelon. They were yummy. We were tired so we took a taxi home.

My happiest memory is we got to eat yummy food.

My best friend is Jayden. He is nine years old. He is short and thin. He has big eyes, a small mouth and a tiny nose. His favourite food is fries because they are salty.

Jayden is good at Chinese. He can write Chinese stories. His Chinese result is better than mine. We play basketball in Morse Park on Sundays together.

Jayden is my best friend because he is funny. He likes telling jokes. Our happiest memory is we played basketball happily. I REALLY like my best friend!

**Next, they made a machine called Polly. It was gold and shiny. It could make rubbish tiny. Oh no! Polly picked up Mr. Lo. Mr. Lo cried for help.**

**Then, Rose, Betty and Danny were surprised because Mr. Lo became tiny. He looked like a bee. The children were worried.**

**The children wanted to help Mr. Lo, so they made a new machine called Polly 2. It could turn things big. Yeah! Mr. Lo became big again! The children felt happy but tired because they made two machines within a day.**

Sunday

23rd April, 2023

It was a cloudy day. In the morning, I went to the shopping mall. I wanted to buy some food because we would like to celebrate my brother's birthday at night. Dad and Mum went there with me. We went there on a private car.

At the supermarket, we bought some cheese, ham and flour for baking a cake and some candies at a bakery. Next, we went to a toy shop to buy a toy car for my brother as a gift.

In the afternoon, I felt tired and hungry. My mum suggested eating lunch at a Chinese restaurant. My Dad ordered a lot of delicious food. We were full.

At night, we started our party. We sang a birthday song and ate birthday cake. My brother felt surprised. It was a joyful day.
