## My Favourite Sport

by Chen Yu Wun Anson 2B (3)

My favorite sport is football. I play football at quarter to four on Saturday afternoon. I bring a green water bottle and a black and white football. I wear my blue T-shirt, green shorts and colourful sport shoes. I go to play football with Baron, Eden, Kyle and Miss Yeung. I play at the football field in Lok Fu.

Football is my favourite sport because it is easy to learn. I feel excited when I play football. I don't like diving because I'm scared of water.

My favourite restaurant is Fairwood. I always go there with my brother and my sister.

There is a plate of spaghetti. There are cups of lemon tea. They are so sour. They are forty dollars and fifty cents. There are also soft drinks. I like them because they are sweet. They are fifteen dollars.

My favourite food is spaghetti because it is delicious. Do you like Fairwood? I like it so much!

## My Dream School

by Wong Ho Yin Harry 2D (24)

There are five floors in my dream school. There is a game room, a cinema, a magic room, a science room and a computer room. My favourite room is the game room because it has Connect the Four, Spin the Jackpot, Attack the Mole and even more! It is on the fourth floor. I go there to play and have parties. We mustn't run or steal video games. We must play games to win prizes. I feel amazing!

Dear Lotus,

I am at Wetland Park. It is in Tin Shui Wai. It is in summer. It is hot and sunny. There is a cute colourful bird in the tree. There are tiny shy orange crabs behind the rocks too. There are also small friendly grey fish in the pond.

I like taking photos with the fish and walking near the pond. I feel relaxed because I can look at the friendly fish in the pond.

There are five floors in my dream school. There is a hall, a classroom, toilets, a music room and a roof top.

My favourite room is the music room. It is on the third floor. I play the piano there.

I mustn't shout because it is noisy. I like my school.
