Sunday

19th May, 2025

At nine o'clock in the morning, I ate breakfast with Mum and Dad in Yummy Restaurant. I ate pork, soup and French fries. They were yummy. Then, we watched TV at home. It was fun. I felt joyful.

At half past three in the afternoon, we played table tennis in the sports centre. We went there by bus. We played happily because it was fun. Next, I ate afternoon tea at home. I ate hot dogs. They were delicious. I ate a lot of French fries too. They were crunchy.

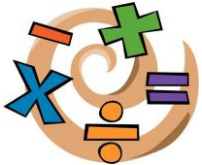

I felt excited because the food was yummy.

My Best Friend

By Lau Hei Yin, Hailey 3C (13)

My best friend is Anson Chen. He is eight years old. He is heavy. He is 33kg. He is short. Anson has short straight black hair, two big eyes, a small nose, and a beautiful smile. He wears blue glasses too.

Anson Chen is good at Maths. He likes doing sums and he can solve Maths problem very quickly. We like playing card games together. We also like talking to each other during recess.

Anson Chen is my best friend because he is clever and helpful. He helps me with my homework. He is curious too. Sometimes, he likes to see what I write on my homework and learn new things from me. Our favourite memory is playing at the park after school. We love sliding on the slide and playing on the swing. It is fun!

I love my best friend very much.

Coco and the Mice Mike and Mable

At night, Mike and Mabel are at home. They are jumping on the soft armchair. They feel excited.

They are in the living room. They are sliding on the coffee table. They are swinging from the light. They are extremely happy now. Oh, no! The flowers fall off the coffee table.

Coco hears a noise. She is running into the living room. Mike and Mabel are scared now!

At last, Coco eats the mouse. They are now in Coco's mouth. They are scared because they think they are going to die. Then, Coco spits them out and laughs at them. It is all a joke. Finally, they become friends. Everybody is happy.

In the afternoon, Pirate Pang and Pete the Parrot were on a beautiful blue and black pirate junk.

Then, they got a treasure map. It was in their home. They went to find treasure. They sailed away. It was in the afternoon when Pirate Pang and Pete had lunch. They had chicken wings, rice, fish and vegetables. It was delicious. They went to find treasure again.

Suddenly, a scary red monster jumped up. Splash! It wanted to eat them. Then, Pirate Pang fought with the sea monster. Pete felt scared.

Finally, Pirate Pang went back to his junk. He fired a cannon at the scary sea monster. The sea monster swam away. They felt joyful. Pirate Pang went back to find treasure on Treasure Island.

Oh, No! Mr Lo!

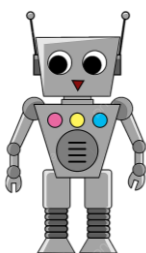

By Leung Sam Yu Miu Miu 3B (15)

On Monday morning, Rose, Joe, Betty and Danny were at school. First, they went to Mr Lo's classroom. They felt excited because they had a special project.

Then, they made a machine called Polly. It could pick up rubbish. They were excited to try Polly. Oh, no! They were terrified because Polly picked up Mr Lo instead! Mr Lo shouted, "Help me!" Everyone gasped because Polly ate Mr Lo!

After that, they didn't know what to do. They were anxious. Polly made Mr Lo tiny. Now, Mr Lo looked like an ant.

In the end, they needed to break Polly to get Mr Lo out. Luckily, Mr Lo grew back to his normal size once he was out. They felt relieved but upset because they needed to make another machine. It would take another whole week.

On Sunday morning, Pang the Pirate and Pete the Parrot were on the huge brown junk. They felt glad.

They visited Cheung Chau and sailed away. Pirate Pang felt hungry. He took the last bun and it was Hungry Bun. It chased Pete. Pirate Pang was shocked.

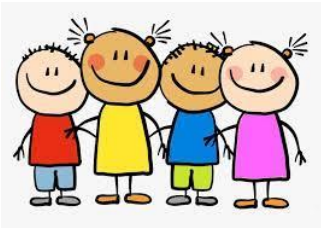

Splash! The Hungry Bun and Pete the Parrot fell into the sea! Pete was scared.

Pang the Pirate stopped Hungry Bun and saved Pete the Parrot. He used the swimming ring to help Pete.

My Best Friend

By Ho Tsz Ting Saron 3B (9)

My best friend is Jasmine. She is nine years old, the same age as me. She is tall because she eats a lot of vegetables. She has long shiny brown hair. Her hair is straight too. She has big eyes, a big mouth and long black lashes. She has long arms, long legs and a big nose. She is beautiful because of her soft lovely brown hair.

Jasmine is good at basketball because she always wins in competitions. She is also a player in the school team. She is also good at Chinese because she got high marks in the exam. We always play basketball on Saturday at school. After school, we go swimming. We felt exhausted but a bit joyful.

Jasmine is nice because she is always there to support me. She is also brave. She got hurt in a basketball game once but she did not cry. She's amazing and we spend a lot of time together. My happiest memory is us going to a restaurant on my birthday. We thought the food was incredible. We ate a lot of food too!

Jasmine is always by my side no matter what. I hope Jasmine and I can be friends forever.
